PROFESSIONAL EXPERIENCE

Director of Grants (remote)

Final Strike Collaborative | Bronx, NY | Spring 23 - Present

- Research and write grant proposals to further Final Strike Collaborative's mission to promote sustainability in theater.
- Created website content including writing the script for a donor video.
- Awarded 2023 grassroots grant from The Pollination Project to fund materials and marketing for sustainability workshops.
- Coordinated grant proposal into final round of consideration for the largest-to-date award, though ultimately not awarded.
- Increased network of potential donors through participation in educational programs.

Social Media Coordinator (intern)

CancerFree KIDS | Cincinnati, OH | Spring 23 - Present

- Generate social media content for CancerFree KIDS platforms boosting reach by over 120% and engagement by over 500% as measured by social metric tracking.
- Facilitated participant engagement for various fund-raising events including organizing communication for the 100-Mile Challenge resulting in increased turnout from prior year.
- Created reports in Meta Business Suite to monitor community engagement metrics and identify potential ways to boost engagement using social media.

Editor (Feature Section)

The Cento (Centre College Newspaper) | Danville, KY | Fall 21 - Spring 23

- Served as Head Editor of the feature section.
- Worked with a cohort of editors on an annual literary magazine, *Vantage Point*.

In addition, various roles at Centre College including writing center tutor and production stagehand.

DEMONSTRATED SKILLS

- **Initiative:** Launched and marketed a running club and zumba class to improve overall physical well-being for fellow students.
